"Avert," he said.."We should find shelter and rest," he said..Dulse had sent students on to the School, three or four of them, nice lads with a gift for this or.and to talk with him. He was, as far as Otter could see, well-meaning and honest. "If you won't.He thought what he must do, and how he must do it. On his head he wore a tall cap.."Ah." Presently he said, "The Master Summoner is not old." And she got a sidelong look from those narrow, ice-coloured eyes..He looked about, curious and wary. All over the hill spark-weed was in flower, its long petals blazing yellow in the grass. Children on Havnor knew that flower. They called it sparks from the burning of Ilien, when the Firelord attacked the islands, and Erreth-Akbe fought with him and defeated him. Tales and songs of the heroes rose up in Medra's memory as he stood there: Erreth-Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, and Serriadh the peacemaker, and Elfarran of Solea, and Morred, the White Enchanter, the beloved king. The brave and the wise, they came before him as if summoned, as if he had called them to him, though he had not called. He saw them. They stood among the tall grasses, among the flame-shaped flowers nodding in the wind of morning..bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night. The.my friends," he said, "what now?". "Dark is bad," said the Patterner. "Eh?". "Come to the shallows," he said..that. It's not a thing you do. You have to know how to let it do. That's all the mastery.."He was only a little sorcerer, a cheating healer with a few sorry spells. Or so he seemed. What if he was cheating, hiding his power, a rival hiding his power? A jealous rival. He must be stopped, he must be bound, named, called. Irioth began to say the words that would bind him, and the shaken man cowered away, shrinking down, shriveling, crying out in a thin, high wail. It is wrong, wrong, I am doing the wrong, I am the ill, Irioth thought. He stopped the spell words in his mouth, fighting against them, and at last crying out one other word. Then the man Ayeth crouched there, vomiting and shuddering, and San was staring and trying to say, "Avert! Avert!" And no harm was done. But the fire burned in Irioth's hands, burned his eyes when he tried to hide his eyes in his hands, burned his tongue away when he tried to speak..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (42 of 111) [2/5/2004 12:33:31 AM]."I don't know it, sir." She snorted furiously..Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate.."That girl you liked, witch's Rose, she's tuning about with Labby, I hear. The language had not changed so very much, and yet I didn't. Otter was grateful to him. He could not be wholly comfortable with his hands bound and his mouth. The witch still said nothing. They walked along in the darkness side by side. At last, in a placating, frightened voice, Rose said, "It came so ...". "Get out!" she shouted. "Get away, you traitor, you foul lecher, or I'll cut the liver out of you!" She sprang up the bank, pulling herself up by the tough bunchgrass, and scrambled to her feet. No one was there. She stood afire, shaking with rage. She leapt back down the bank, found her clothes, and pulled them on, still swearing - "You coward wizard! But for some decades the kings of Hupun had been in conflict with the high priest and his followers in Awabath, the Holy City, fifty miles from Hupun. The priests of the Twin Gods were in the process of wresting power from the kings and making Awabath not only the religious but the political center of the country. Erreth-Akbe's visit seems to have coincided with the final shift of power from the kings to the priests. King Thoreg received him with honor, but Intathin the High Priest fought with him, defeated or deceived him, and for a time imprisoned him.
