

## OF THE CONSTITUTIONAL COMMITTEE CONVENED AT HENNIKER NEW HAMPSHI

THE ORGANIZER: To me, it was never obvious. It still isn't. In the first place, only minimal flooding has occurred since the Inundation; in the second, it's highly unlikely that Yahweh will again choose that particular form of chastisement should future foul-ups on the part of the human race necessitate additional punishment; and in the third, if he does decide on a second Inundation, you can rest assured that it will be of such dimensions that the only thing the Project win be a haven for will be fish. But 111 play the game fair: HI see to it that the members of Local 209 have access to these minutes; and if, after reading them, they wish to take another strike vote, I won't stand in their way. Meanwhile, the package stays as is..Tom Reamy wrote four stories for F&SF: Twilla, "Insects in Amber," "San Diego LJghtfoot Sue" (a Nebula award winner), and the gripping story you are about to read. He also wrote a novel, Blind Voices. Go quickly, take your reward, and when you come back I shall show you a man living through the happiest moment of his life. Then I will put you and your jewels into the trunk with my nearest and dearest friend.".It was not unexpected; Lang had been waiting for it to happen since the night the Burroughs left.
