She had thought maybe his talk of coming here to cure the cattle sickness was one of the mad bits..I had to smile; it was not a pleasant smile.. "Father does. He saw some of the stuff we were practicing. But he says Hemlock says I should come study with him because it might be dangerous not to. Oh," and Diamond beat his head with his hands..there. Now come with me," he said to Irian..She did not know what he meant, but did not ask, preoccupied: "You say he makes me his reason for you to meet together."..he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I..There were only dragons, to begin with. They found the tooth on Mount Onn, in Havnor, at the..Next day he had Licky send him the boy. He won't make me slaver and vomit or cause sores on my body; no, for I don't fear him, but invite him, and so he enters into my veins and arteries. No harm comes to me. My blood runs silver. I see things unknown to other men. I share the secrets of the King. And when he leaves me, he hides in the place of ordure, in foulness itself, and yet again in the vile place he waits for me to come and take him up and cleanse him as he cleansed me, so that each time we grow purer together." The wizard took Otter's arm and walked along with him. He said, smiling and confidential, "I am one who shits moonlight. You will not know another such. And more than that, more than that, the King enters into my seed. He is my semen. I am Turre and he is me...".."Acknowledged..".."My place," she said, slowly, the words dragging, "my place is on the hill. Where things are what they are. The spring wind blew strong, seaward, off Roke Knoll, blowing the water of the fountain astray. Up on the slope of the Knoll they could see a little group of people: a circle of young students learning how to do tricks of illusion from the sorcerer Hega of O; Master Hand, they called him. The sparkweed, past flowering, cast its ashes on the wind. There were streaks of grey in Ember's hair..Language of the Making, dated back to a time before the separation. Before the king was to be crowned, they went to Gont and sought our lord, to find what that meant, "a woman on Gont". Eh? But they did not see him, only my countrywoman Tenar of the Ring. She said she was not the woman they sought. And they found no one, nothing. So Lebannen judged it to be a prophecy yet to be fulfilled. And in Havnor he set his crown on his own head..say there's been snow.."..Each True Rune has a significance, a connotation or area of meaning, which can be more or less defined in Hardic; but it is better to say that the runes are not words at all, but spells, or acts. Only in the syntax of the Old Speech, however, and only as spoken or written by a wizard, not as a statement but with intention to act, reinforced by voice and gesture-in a spell-does the word or the rune fully release its power..LANGUAGES.."You could go to Roke," he said, his eyes bright with excitement, mischief, daring. Meeting her almost pleading, incredulous silence, he insisted: "You could. A woman you are, but there are ways to change your seeming. You have the heart, the courage, the will of a man. You could enter the Great House. I know it.."..She looked at him in the starlight, and said, "Tell me your name - not
