Slowly, Selene twisted the wrist back and down while the poly around them swirled in wave after wave of color pulsating with every labored breath of the struggling body. The maelstrom spread out across the floor and up the walls, even affected the chairs so that they, too, raged with color and pulsed to ? the time of Amanda's breathing. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time he asked if they would either consider giving him an endorsement. They said they would have, having thoroughly enjoyed his company, but unfortunately they'd both used up their quota for that year.
